

JRD Dance Classes

Now Enrolling

For March classes!

Classes for
ages 3yrs.
And up!

5:30-6:15pm (ages 3-5) **Creative Dance:** Fun exercises to stretch and learn dance basics (sense of movement, spatial awareness, rhythm) for tiny toes. Class will end with a fun round of improv/freestyle!

6:15-7:00pm (ages 6-10) **Jazz Fusion I:** Basic jazz technique, flexibility, and conditioning. Cultivate stage presence and creativity. Class ends with a fun combination fusing jazz and funk/hip-hop, building on the combination from the previous week.

7:00-7:45pm (ages 11 and up) **Jazz Fusion II:** Progressively higher level of difficulty than Jazz Fusion I with emphasis on attention to detail in choreography and synchronization. Class ends with a fun combination fusing jazz and funk/hip-hop, building on the combination from the previous week.

Class structure for ages 6 and older classes is a 10 minute warm-up and stretch, 15 minutes of center/floor work, and 20 minutes of choreography. The younger 3-5yrs. class would warm up and stretch, do floor work, play dance games, and then freestyle at the end of class - the instructor's favorite part!
