

Dear JRD customers,

This letter serves as a notice regarding the membership price increase that the JRD Fitness Center plans to put into effect , March 1, 2019. This will be the 1st time the JRD has increased its membership prices since our expansion of the fitness center , walking track and new basketball court in 2006. With each year in business the JRD has had expanding costs to meet the needs of our facility and community. Electrical bills, janitorial services, increased operating hours /additional employees, equipment replacement, and wood flooring maintenance are only a few of the costs that have increased since 2006. However, we have found a way to increase the price to the littlest amount possible in these circumstances. We are grateful to our customers and community for their patronage and support of our facility and programs. We have tried to adjust the rise in membership prices so that you, our loyal consumers, do not bear the brunt of the increase. If you are a homeowner and have any questions on where your property tax dollars go to at the JRD, we have posted a breakdown of operating expenses on our website.

For any inquiries, suggestions, and concerns regarding the increase or our memberships, do not hesitate to call us at 324-3389. Thank you for your continuing patronage and support. We are excited to serve our community well in 2019.
