

The Jerome Recreation District's T-ball program is a six week season, in which teams are formed and leagues are established to provide a fun, safe, and competitive youth baseball program. The teams are formed into age groups: 5 years old and 6 years old boys and girls. This co-ed league will provide a basis for learning the fundamentals of baseball, while building on skills already acquired and teaching sportsmanship in a competitive environment.

Practices and Equipment

Games will be Monday evenings starting May 24 through July 5 at Forsyth Park, East End Ball Fields.

Teams may practice one to two times a week. Dates and times will be scheduled by the coach(s). Baseball fields are based on a first come first serve basis. No reservations needed.

Players will need to provide their own baseball mitt. JRD provides the batting tee, bats, helmets, and soft toss baseballs.

In these unprecedented times, the Jerome Recreation District strives to protect the integrity of the game while also providing a safe environment for all involved. We will continue to develop, administer and promote youth sports to provide opportunities for participation and the best possible experience for all involved.

JRD Sport Jersey

Youth Sport Jerseys are available to purchase for \$5.00 at the JRD front desk.

Recycled jerseys are available for \$2.50 when in stock. Recycled jerseys are donated and received in good condition.

Volunteer Coaches Needed

If interested, please fill out a Coach's Application at the time of registration. JRD requires volunteer coaches be background checked. This service is a vital part of offering safe recreational programs to the children of the community and surrounding areas.

Coaching

Players who parents or guardians are coaching or acting as an assisting coach will be automatically placed on their teams.
